

# Setting up your Drive GPS

When using PatchMap in your GPS, there are a few simple steps to ensure you are getting the most out of your maps...

1. Always start on your main screen.

2. Select '**Settings**'

3. Select '**Map & Vehicle**'

- ▶ Select '**Map Detail**'
- ▶ Set to '**More**'
- ▶ '**Save**'

4. Scroll Down to '**Map Layers**'

- ▶ Turn on '**Trip Log**' (*Optional*)

5. Scroll down to '**MyMaps**'

- ▶ uncheck any '**CN North America**' maps
- ▶ uncheck '**PatchMap Contours**' (*Optional*)
- ▶ KEEP '**PatchMap V\_\_\_\_\_**' checked on.

6. Select '**Navigation**'

- ▶ Select '**Avoidances**'
- ▶ Make sure all are **UNCHECKED**
- ▶ '**Save**'

7. Scroll Down to '**Restricted Mode**' & **Uncheck**

8. Press and Hold the ' to return to the main screen.
